**PETITION FOR SIDEWALK REPAVEMENT
ON AUBURN STREET**

We, the undersigned current residents of Auburn Street, request that the sidewalks on both sides of Auburn Street be repaved from Centre Street to Columbus Ave. Our sidewalks are no longer smooth and level and have become unsafe. The sidewalks are damaged up and down the street for reasons that include frost heaves, city plowing, tree roots, pooling water and ice. Periodic spot repairs have deteriorated over time, leaving the pavement to shatter into large and small chunks and pebbles. This is a pedestrian friendly street heavily used by a variety of people- runners, dog walkers, people strolling - not to mention our annual Halloween Extravaganza. This year alone there were over 1,650 trick or treaters and probably twice that as spectators. New pavement would make this walkable neighborhood much safer.
