Subject: CHAPEL STREET SIGNAGE

Hi Janice:

I'd like to ask City Council to refer to the Traffic Policy Advisory Committee a request I have received from a Chapel Street resident for "Slow - Children" signs at either end of that street. The constituent has children and is concerned at the speed of cars that use Chapel Street despite its narrow nature.

I know that TPAC is hesitant to install these signs, but I would like the committee to take the request under consideration.

Thanks.

B.
