Project Summary – Minor Site Plan

Project Name: Memorial to Public Workers
Owner: NHDOT
Address: 7 Hazen Drive
Map/Block/Lot: 60/Z 19

Project Description:

The New Hampshire Department of Transportation is requesting review and comment under RSA 674:54 for construction of a memorial to public works employees at 7 Hazen Drive. The memorial consists of landscaping and a walkway.

1. General Comments

- 1.1 The following comments pertain to the 9 page plan set titled “Plans for the Construction of New Hampshire Department of Public Works Memorial to Public Workers”, dated 1/26/2012, prepared by Weston & Sampson.
- 1.2 Engineering staff has indicated that the design may need to be updated/modified based on the existing sidewalk system and accessible curb ramps at the intersection of the driveway and Hazen Drive. Further, there is an existing light pole and signage in this area that may conflict with the proposed connection to the sidewalk system.
- 1.3 Staff recommends that the tree installation detail be revised to indicate the mulch pulled 3-4 inches away from the trunk of the tree, which will help to prevent excessive moisture from causing fungus, rot, and decay of the bark.

2. Recommendations

- 2.1 Staff recommends that the Board offer feedback or nonbinding comments as appropriate.
