Dear Ms. Shank,

On behalf of the Owner/Applicant of the subject Site Plan and Conditional Use Permit I am hereby formally requesting another one-year extension of the approval granted by the Planning Board on May 17, 2017. The applicant recently met with the Conservation Commission and is actively working towards finalizing the NHDES Wetlands Permit and submit final plans for signature, with the hopes of beginning construction within the next few months.

Please let me know if you need any additional information at this time in order to facilitate this request to the Planning Board. Thank you.

Sincerely,

Jeffrey W. Lewis, PE
