RE: Ekstrom – Request for an Extension  
Site Plan Approval, Greenwood Ave

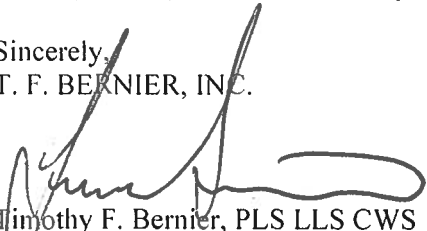

Dear Ms. Fenstermacher:

We are writing on behalf of Harold and Judith Ekstrom to request the planning board hold a rehearing on their request for an extension of the planning board conditional approval. We would like to provide the board with information regarding the continuous progress on the project.

The project is moving forward. The last building was razed at the end of April only three months from our original request for a deadline extension.

Thank you for your continued cooperation and coordination on this project.

Sincerely,  
T. F. BERNIER, INC.

Timothy F. Bernier, PLS LLS CWS  
President
