Heather R. Shank, AICP
City Planner
City of Concord
41 Green Street
Concord, NH 03301

Dear Heather:

Over the last weeks, we have worked collaboratively with you and your colleagues on a proposed zoning ordinance change that relates to landscaping requirements for parking, vehicle display and vehicle storage. We were very grateful that you made the effort to meet with me, Bob Carey, Erin Lambert, Tracy Banks, Bill Jasak and Fred Booth at Banks Chevrolet on Manchester Street today. Banks is aligned with your proposed changes to the zoning ordinance (copy attached), and we ask that you convey our support in your reports to the Planning Board and City Council.

Please let me know if you have any questions. And once again, thank you. Representatives from Banks will be at the November 20th Planning Board Meeting and the December 9th City Council meeting. We will be prepared to speak publically of our support for the ordinance change.

Sincerely,

Peter F. Burger
