Discussion

On January 13, 2020, the City Council approved to set Ordinance Article 14-2-7, regulating the usage of tobacco related products in the City's three municipally owned parking garages, for a public hearing on March 9, 2020.

Upon review of the Ordinance as presented on January 13, 2020, City Staff recommends further amendments to clarify that the City is not prohibiting smoking in the travel portion of any public right of way or private property. Attached is the supplemental Ordinance as amended.
