Re: Proposed Development – Waiver Request  
310 Louden

Dear Ms. Durfee:

BL Companies, Inc on behalf of our client, would humbly request a waiver to Section 18.08. The proposed drive-through layout does not provide a by-pass lane for interior drive through lane for approximately 75' feet prior to the order menu board. After vehicles reach the order menu board the lanes merge and a by-pass lane is provided.

The proposed restaurant operation does not require a by-pass lane prior to the menu order board.

If you require additional information, please contact me at 860-760-1933.

Sincerely,

Matthew J. Bruton, P.E.  
Project Manager
