Legislation Text

File #: 18-551, **Version:** 1

MHF Design Consultants on behalf of Irving Oil Properties, requesting Major Site Plan approval for construction of a convenience store, fueling station, and related site improvements; and three Conditional Use Permits to allow a fueling station in the CU District, to allow two driveways on a frontage where only one is permitted, and to allow less than the required separation between driveways at 22 & 24 Penacook Street and 163 N. State Street in the Urban Commercial and Urban Transitional Districts.
